

EXTRACURRICULAR ACTIVITIES 2021/2022

Please indicate on the attached form the activities in which your child/ren would like to participate during the current term and return it as soon as possible by writing your child/ren's name in the end column next to the activity/activities that they wish to enrol in. Children MAY NOT change activities during the term. Please let us know by the end of each term if a child is not going to continue with an activity.

All classes (with the exception of swimming and tennis) are held on school premises.
Classes are from 3.50pm – 4.50pm except for piano, private French & extra English and Spanish which are by appointment.
The cost of group classes is 135€ per term.
The cost of private classes (& piano) is 175€ per term for $\frac{1}{2}$ an hour a week. For one hour a week, the cost is 345€ per term.
The cost of swimming is 200€ per term and tennis is 160€ per term

ALL CLASSES AND CLUBS ARE PROVISIONAL DEPENDING ON DEMAND

CLUB	YEAR	PRICE	TEACHER	BRIEF DESCRIPTIONS	Name and class of child
MONDAY					
Ballet	Years 2 to Year 8	135	Miss Beatrice	Ballet is taught by Miss Beatrice Motilla (RTS) Registered Teacher of the Royal Academy of Dance. Children can be prepared for RAD exams.	
Music & Movement	Nursery to Year 1	135	Miss Cindy	This class is aimed at developing an interest in music from an early age through a stimulating musical environment. Songs, actions, musical games, and "music and movement" activities are designed to stretch and improve the children's musical ability and build confidence in their use	

				of language skills, body co-ordination, social development and awareness.	
Robotics Club	Years 1-8	145	Mrs Cristina, Mr Fisher & Miss Franchesca	This technology course utilizes cutting edge educational robots to enable children to have more fun while improving their fine motor skills, group working skills, problem-solving abilities and logical thinking. We achieve this using Makeblock, Sphero, Kodable, Cubetto among other technology as well as board games and apps. There is a great emphasis on STEM subjects within the British curriculum, to develop further in this way, applying practically to what they learn in class through creating their own projects. Science, technology, English and Maths. Robotics will be divided in to 2 groups depending on age and experience	
Basketball Club	Years 3-6	135	Mrs Bazakis	Learn, improve and practise basketball skills. Enjoy competition and challenge. Make friends and play with children from all years in KS2. End of year Basketball "show".	
Homework Club	Years 1-8	135	Ms. Gray & Mrs Pammy	Homework Club is for children to work on their homework, reading, and other projects in a familiar setting. Ms. Gray & Mrs Pammy will work with the children individually or in small groups and help them understand and complete their homework. Tablets and the interactive white boards will be used when appropriate.	
TUESDAY					
Chess Club	Years 1-8	135	Mr Hooley	Chess is a game which imparts an incredible array of benefits to those who play it. It complements the learning process and develops focus, imagination and logic. Our primary objective is to teach our students to love and enjoy the game, so that they can benefit from the depth learning that the game has to offer for life.	
Homework Club	Years 1-8	135	Ms. Gray & Mrs Pammy	Homework Club is for children to work on their homework, reading, and other projects in a familiar setting. Ms. Gray & Mrs Pammy will work with the children individually or in small groups and help them understand and complete their homework. Tablets and the interactive white boards will be used when appropriate.	
Multisports and games	Year 1 to Year 6	135	Mr Doherty	Children will take part in a number of different activities. They will include throwing and catching games, team games, and striking and fielding games. We will also do some athletics – running, jumping and throwing as well as some relay races. The main aim is for children to have a good time and that they enjoy taking part while still learning some basic skills used in sports.	

WEDNESDAY					
Ballet	Nursery to Year 1	135	Mrs Beatrice	Ballet is taught by Miss Beatrice Motilla (RTS) Registered Teacher of the Royal Academy of Dance. Children can be prepared for RAD exams.	
Football	Reception to Year 2	135	Mr McLeod	The children will be taught techniques and skills and play mini games and tournaments during the class.	
Homework Club	Years 1-8	135	Ms. Gray & Mrs Pammy	Homework Club is for children to work on their homework, reading, and other projects in a familiar setting. Ms. Gray & Mrs Pammy will work with the children individually or in small groups and help them understand and complete their homework. Tablets and the interactive white boards will be used when appropriate.	
Phonics & Reading Club	Reception to Year 3	135	Miss Cindy	The children will review all the letters and sounds that are covered in class with fun interactive games and songs. We will also practise speaking and listening skills that are fundamental for reading, especially for the younger children. The older children will have the opportunity to develop their reading ability using a wide variety of different texts including fiction and non-fiction books.	
Maths Club	Year 4 to Year 7	135	Ms Smith	"Maths Masterclass" will give pupils the opportunity to experience mathematics outside the normal classroom environment, and will make mathematics engaging and enjoyable. The club will support your child to: improve their subject knowledge, improve their attitudes to mathematics, increase self-confidence, inspire mathematical thinking, challenge already capable mathematicians and increase self-confidence in this curricular area. In "Maths Masterclass" we will study real -world maths and allow pupils to see mathematics as an integral part of their lives. "Maths Masterclass" is open to children from year 4-year 7.	
Grammar for Writing	Year 6 to Year 8	135	Mr Hooley	This group will focus on English grammar, vocabulary and writing. This will be done through the use of games, speaking activities and written tasks. Pupils will gain a deeper understanding of English grammar and benefit across the curriculum with more precise and complex written expression. Later in the year, we will be honing examination technique for formal grammar examinations.	
THURSDAY					
Homework Club	Years 1-8	135	Ms. Gray & Mrs Pammy	Homework Club is for children to work on their homework, reading, and other projects in a familiar setting. Ms. Gray & Mrs Pammy will work with the children individually or in small groups and help them understand and complete their homework. Tablets and the interactive white boards will be used when appropriate.	
Football	Year 3 to Year 6	135	Mr McLeod	The children will be taught techniques and skills and play mini games and tournaments during the class.	

Tennis Club	Nursery to Year 8	160	Tennis Club plus monitor plus bus	This will take place at the Tennis Club "Club Deportivo Elemental Topsport", Avenida de Madroños. The children will be assessed and put in groups of minimum 3 maximum 8 according to ability. The children will be taken down by bus to the club (opposite the Liceo Frances), accompanied by a member of staff. Children who do not have gym that day need to bring some gym clothes and trainers to change in to. Parents must pick their child up at 5.00pm from the club.	
Swimming TO BE CONFIRMED	Nursery to Year 8	200		The classes will take place at Natacion Jimenez in Parque Conde Orgaz. The children will be taken to the swimming pool by bus, supervised and monitored by school teachers. Parents must pick up their children by 5.00pm at the latest directly from the swimming pool. The children will be taught by the teachers at the club, but our teachers will be there to help them dress/undress and will wait until all children are collected.
